

Galway Hooker Sailing Club

Workshop Rules

Galway Hooker Sailing Club provide spaces accommodating both crew members and visitors for the purposes of maintenance and repairs, woodwork projects and 'show and tell' type tours, known collectively as 'the workshop'. It is required that each person respects these workshop spaces and abide by the following rules:

- Always follow the instructions of the designated supervisor. This person should be identified to all attending as the supervisor before the session starts.
- Never use tools and equipment without receiving the correct instructions to use them safely, and always use personal protective equipment (PPE) when applicable.
- Report all accidents/incidents IMMEDIATELY after they occur to the supervisor in charge of the session.
- Never use equipment that is faulty or damaged and report it to the supervisor.
- Be aware of those working alongside you and never act in an unsafe manner.
- Tidy up after yourself, always leave the workshop in a presentable state.
- Please use the bins provided to safely dispose of any waste.
- Ensure that all tools/equipment are correctly stored away at the end of every session.
- Anyone under the age of 18 must be accompanied by an adult.
- Smoking, drugs and alcohol are strictly prohibited in the workshop spaces.

Thank You!
